Important Notes:

- For the latest product risk rating, please refer to HSBC public website: <https://www.hsbc.com.cn/investments/> or please contact your relationship manager or HSBC Hotline 95366.
- In case of risk mismatching resulted from change of your risk tolerance level or adjustment of product risk rating during the product holding period, where redemption/early redemption/switching (if applicable) is provided according to the product documents, you may choose to redeem / early redeem / switch (if applicable) your investment based on your own circumstances. You will bear any loss and/or costs (if applicable) resulted from or in connection with redemption/early redemption / switching in such scenario. Where redemption / early redemption / switching (if applicable) is not all owed under the product documents, you are unable to redeem / early redeem / switch your investment on the ground of risk mismatching. Therefore, please pay attention to redemption / early redemption / switching terms and carefully take into consideration of any limitations before you make an investment decision.
- Please note that the Bank will review product risk rating from time to time. For any adjustments in risk rating of product(s) held by you, we will notify you by sending SMS message to your mobile phone number registered with us. In case you have not registered a valid number, a written notification will be sent to your registered mailing address. You shall make sure that the mobile phone number and mailing address registered with us are most updated and valid. Please note, if you fail to notify us in a timely manner any changes to your mobile phone number or mailing address, or to check such SMS message or notification, you may not be informed of the latest product risk rating. In such scenario, you shall undertake any and all losses and consequences resulted from your failure to abide by the above requirements including but not limited to all losses and consequences due to any limitation to redeem/early redeem/switch your investment at a preferred time. Meanwhile, we may send out notifications on adjustment of product risk rating via one or more of the following channels, i) Personal Internet Banking, ii) Mobile Banking. In order to receive the notification on time, you are recommended to apply for and use these channels whichever best meets your needs.
